AUTOMATIC BANK FORM (YOUR COPY)

Bank Transactions Offered:

- Automatic Bank Withdrawl (for payments)
- Payroll Direct Deposit

These transactions can be done from your checking or savings account. No change to your present banking relationship is required to take advantage of these services.

The Automatic Bank Withdrawl benefits:

- Lower cost – fewer checks to write
- Allows you to regularly contribute in a convenient and timely manner – even if you're on vacation or out of town
- Your payments are automatically recorded on your monthly bank statements
- It's easy to sign up for, easy to cancel

How the Automatic Bank Withdrawl works:

Once you authorize regularly scheduled payments from your checking or savings account, contribution payments will be made automatically on the last business day of each month.

The authority you give to charge your account will remain in effect until you notify us in writing to terminate the authorization (please allow 10 business days for processing).

To take advantage of this service, complete the attached authorization form and return it to us via the secure mail slot outside the administration room at the NLCC Ministry Center or at the address below.

Use the diagram below to locate your bank routing and account numbers. The bank routing number identifies your bank or financial institution. The routing number is always nine digits, and is always found between the |: |: symbols. Your bank account number can vary in the number of digits. It is usually to the right of the bank routing number.
