Heavenly Father, as we sit down here to eat, first and foremost we recognize that you are our sole provider, and being so, as we eat, help us to keep that perspective. While this food may taste amazing, you are better, may we not use this food as a greater source of comfort or pleasure than you. Thank you that this meal is intended by you to be pleasing to us, help us to have the self-control to not overindulge and become less effective for service to you. We pray this in the name of Jesus, our bread of life. Amen.
