

## ***How The Beloved Love***

*Pastor Ben Hunt – December 1, 2024*

**Primary Point:** To experience agape in yourself, is to be overwhelmed by God.

**Primary Text:** Romans 12:9-21

- 1. Agape is not an “obligation” kind of love.**
  
  
  
  
  
  
  
  
  
  
- 2. The beloved are to love everyone... yes EVERYONE!**
  
  
  
  
  
  
  
  
  
  
- 3. Agape gives you the power to overwhelm evil with good.**

### **Application Questions:**

1. What was most meaningful to you from today's message and why?
2. You are God's beloved. How does that land on you? What's holding you back from embracing that?
3. What freedom or frustration do you have knowing agape is an overwhelming emotional experience?
4. How often do you experience hatred for evil, desperation for good, and a spiritual boiling? Why? And what would you like to change?
5. Where are you looking down on people? Where are you judging in a way Christ doesn't judge you? What are you going to do about that?
