

When God Honors a Man

Pastor Ben Hunt – February 16, 2025

Primary Point: *When God is everything to you, circumstances mean nothing to you.*

Primary Text: Genesis 40

1. *A man of character is not consumed with his own suffering, but with serving the suffering of others.*
2. *The man of character refuses to get bitter.*
3. *God will always honor a man who honors Him.*

Application Questions:

1. What was most meaningful about today's message and why?
2. Where in your life have you experienced "success" even when it seemed like a "failure"?
3. In what ways do you make excuses for your flesh when circumstances are "hard"?
4. Talk about how serving the suffering of others has helped alleviate your own suffering.
5. Discuss times when it felt like the desert wouldn't end, how you felt, and how you feel now about it.
