

# **The Painful Journey to Repentance**

*Pastor Ben Hunt – March 2, 2025*

***Primary Point: Joseph's dream wasn't about him! It's the same dream God has for us!***

***Primary Text: Genesis 42***

- 1. There is no such thing as good news, without the bad news.***
- 2. When the bad news hasn't landed, feeling powerless always helps!***
- 3. God knows our journey out of sin is long, so He compassionately makes provision.***
- 4. Our necessary journey produces the heart of a kinsman redeemer.***

## ***Application Questions:***

- 1. What was most meaningful about today's message and why?*
- 2. What dreams have you had that have been about you?*
- 3. Where have you held on to your strength and craftiness instead of repentance?*
- 4. How did God bring you to a place of powerlessness?*
- 5. How has your guilty conscience made you paranoid?*
- 6. Like Jacob giving up Benjamin... what is your Benjamin?*
