

## **Joseph Wept**

Pastor Ben Hunt – June 8, 2025

**Primary point: What makes God weep most? Not our sin or mistakes, but our doubt in His grace.**

**Primary Text: Genesis 50**

- 1. We are so consumed with fairness; we can't understand forgiveness.**
- 2. True forgiveness is impossible without divine clarity.**
- 3. Forgiveness isn't just freedom, it means the sacred is entrusted to you.**

### **Application Questions:**

1. What was most meaningful about today's message and why?
2. Where are you doubting someone else's or God's forgiveness of you and why?
3. In what ways are you going to make efforts to embrace God's grace more in your life?
4. What do you see in your life where you are not "carrying the sacred" because you doubt God's grace?
5. Who are you struggling to truly forgive, and why?
