

Peter: Be Truly Glad

Primary point: Be truly glad – there is wonderful joy ahead!

1) Mercy, inheritance, protection (1 Peter 1:3-5)

2) Joy ahead, but trials are real (1 Peter 1:6-7)

3) Rejoicing and reward (1 Peter 1:8-12)

For discussion:

- Which is more real and meaningful to you – the joy of today or the joy of eternity? Why?
- What are you most grateful for in these first 13 verses?
- “Even the angels are eagerly watching” ... What thoughts do you have about that?
- Trials show that your faith is genuine What trials have you experienced where you believe this to be true?
