Primary point: New Life's mission is to seek and save the lost through evangelism, and teach and grow Christians through discipleship, both locally and around the world.

Local Evangelism at New Life

Some simple steps that all of us can do for local evangelism.

- 1) Write a list of the non-Christians that you want to reach out to.
- 2) Start praying for them at least weekly.
- 3) Find a way to let them know you are a committed Christian.
- 4) Find a way to be kind to them, like praying for them.
- 5) Invite them to meet your Christian friends.
- 6) Share the Gospel and your testimony with them.
